

COLUMN CONSTRUCTION REINVENTED

Introducing the newly invented *Wrap 'n Snap*™ designed to reduce cost while speeding up the creation of finished columns for the home.

- Dramatically cuts labor costs – no more carpentry, paint, or maintenance.
- Easy Installation - patent pending “snap” design holds Wrap n’ Snap in place.
- Cellular PVC construction eliminates peeling painting, rotting, and denting.

Choose from four sizes: 4x4, 6x6, 8x8, 10x10 in 8.5’ or 10’ lengths

3 EASY LABOR-SAVING STEPS

1. Apply glue to joints.

2. Place Wrap n’ Snap around wood column

3. Snap into place
